

Dear Fifth Grade Parents,

Each year I am frequently asked what kind of school supplies students must have when they enter their final year at Lakewood. Due to large classroom budget constraints for next year, teachers in general will not be able to give students the same types of supplies that they have in the past. I thought it might be helpful for you to have a list of needed supplies so that you can take advantage of summer and back to school sales.

Below is a list of suggested items for students to use for lessons and projects. Please remember that some of these and/or new items may be needed throughout the year. Often times for classroom activities we ask that your student brings their own device (BYOD. i.e.-Kindle, phone, ipad) If there are any updates or new items that are needed I will directly contact families from my class list.

I appreciate your support. Thank you and I look forward to spending a great year with you and your student.

Yours in education,

Lakewood 5th Grade Teachers
